Certification Statement	I-PE-646-BIO-RG-04
Biocote Limited	
Certificate Expiry Date	29 February 2020
Antimicrobial Technology – Food Zone Classification: FZP	
<ul style="list-style-type: none"><li>• Antimicrobial additive in a polymer carrier</li><li>• Powder-based antimicrobial additive</li><li>• Liquid antimicrobial additive concentrate</li></ul>	

HACCP International certifies BioCote® antimicrobial technology as food-safe and suitable for addition to food contact articles for use in facilities operating a HACCP based Food Safety Programme.

BioCote® instructions, technical expertise, customer support systems, customer agreements and customer product test systems have been evaluated and found to be suitable for verifying efficacy.

Licence Commencement	1 March 2018
Issue Date	2 May 2018 

HACCP International's evaluation and certification is strictly confined to matters of food safety or the operation of a HACCP based food safety programme. Whilst all reasonable care is taken by HACCP International in its evaluation of the product(s) or services(s) described herein, HACCP International does not guarantee that every food safety risk in every application has been identified. No guarantee is offered or implied in the issuing of this statement.

### Licence Agreement

Biocote Limited is licensed to use the HACCP International certification mark, in accordance with HACCP International's Certification Trade Mark Rules and Conditions in all regions for a period of 24 months from the licence commencement date. Biocote Limited is in receipt of the HACCP International Certification Trade Mark Rules and Conditions v3.0 and agrees to abide by the conditions therein.
